DEFINITIONS

Unless specifically stated otherwise, the following definitions will apply throughout this booklet.

Allowed amount means, as determined by Green Shield:

- a) Drugs – the Green Shield National Pricing Policy and/or the reasonable and customary charge;
- b) Extended Health Services – the reasonable and customary charge for the service or supply but not more than the prevailing charge in the area in which the charge is made for a like service or supply;
- c) Dental – the provincial dental association fee guide for general practitioners as specified in the Schedule of Benefits.

Calendar year means the 12 consecutive months January 1st to December 31st of each year.

For Drugs

Co-pay is the rendered amount that must be paid by you or your dependent before reimbursement of an expense will be made.

For other Health and Dental Benefits

Co-pay is the eligible allowed amount that must be paid by you or your dependent before reimbursement of an expense will be made.

Covered person means the plan member who has been enrolled in the plan or his or her enrolled dependents.

Custom made boots or shoes means footwear used by an individual whose condition cannot be accommodated by existing footwear products. The fabrication of the footwear involves making a unique cast of the covered person's feet and the use of 100% raw materials. (These shoes are used to accommodate the bony and structural abnormalities of the feet and lower legs resulting from trauma, disease or congenital deformities).

Custom made foot orthotics means a device made from a 3-dimensional model of an individual's foot and made from raw materials. (This device is used to relieve foot pain related to biomechanical misalignment to the feet and lower limbs.)

Dependent means

your spouse, if you are legally married or if not legally married, you have lived in a common-law relationship for more than 12 continuous months. Only one spouse will be considered at any time as being covered under the group contract;

- a) your unmarried child under age 21;

- c) your unmarried child any age, if totally disabled by reason of mental or physical disability and remains continuously so disabled and is considered a dependent as defined under the Income Tax Act.

Your child (you or your spouse's natural, legally adopted or stepchildren) must reside with you in a parent-child relationship or be dependent upon you (or both) and not regularly employed.

Children who are in full-time attendance at an accredited school do not have to reside with you or attend school in your province. If the school is in another province, you must apply to your provincial health insurance plan for an extension of coverage to ensure your child continues to be covered under a provincial health insurance plan. (Please note that the limitations of the Travel plan still apply).

Emergency means a sudden, unexpected occurrence (disease or injury) that requires immediate medical attention. This includes treatment (non-elective) for immediate relief of severe pain, suffering or disease that cannot be delayed until you or your dependent is medically able to return to your province of residence.

First paid claim means the actual date of service of the initial or a prior claim paid by Green Shield.

Injury means an unexpected or unforeseen event that occurs as a direct result of a violent, sudden and unexpected action from an outside source.

Plan member means you, when you are enrolled for coverage.

Reasonable and customary means in the opinion of Green Shield, the usual charge of the provider for the service or supply, in the absence of insurance, but not more than the prevailing charge in the area for a like service or supply.

Rendered amount means the amount charged by a provider for a service and submitted for payment of a claim.

Semi-private room for hospital accommodation means a room having only two treatment beds.

Stock item footwear means any mass-produced foot care item that is sold over-the-counter and is readily available without any modifications.

How Travel Assistance Service Works

For assistance dial **1.800.936.6226** within Canada and the United States or call collect **0.519.742.3556** when traveling outside Canada and the United States. These numbers appear on your Green Shield Canada Identification card.

Quote the Green Shield Canada travel assist group number and your Green Shield Canada Identification Number, found on your Green Shield Canada Identification card, and explain your medical emergency. **You must always be able to provide your Green Shield Canada Identification Number and your provincial health insurance plan number.**

A multilingual Assistance Specialist will provide direction to the best available medical facility or legally qualified physician able to provide the appropriate care.

Upon admission to a hospital or when consulting a legally qualified physician or surgeon for major emergency treatment, we will guarantee the provider (hospital, clinic or physician), that you have both provincial health insurance plan coverage and Green Shield Canada travel benefits as detailed above.

The provider may then bill Green Shield Canada Travel Assistance directly for these approved services for amounts in excess of \$200.

Green Shield Assistance Medical Team will follow your progress to ensure that you are receiving the best available medical treatment. These physicians also keep in constant communication with your family physician and your family, depending on the severity of your condition.

When calling collect while travelling outside Canada and the United States, you may require a Canada Direct Calling Code. In the event that a collect call is not possible, keep your receipts for phone calls made to Green Shield Canada Travel Assistance and submit them for reimbursement upon your return to Canada.

Travel Limitations

1. Benefits will be eligible only if existing or pre-diagnosed conditions are completely stable (in the opinion of Green Shield Canada Assistance Medical Team) at the time of departure from your province of residence. Green Shield Canada reserves the right to review your medical information at the time of claim;
2. The eligible benefits must be required for the immediate relief of acute pain or suffering as recommended by a legally qualified physician or surgeon. Eligible benefits will not be reimbursed for treatment or surgery that could reasonably be delayed until you return to your province of residence;
3. Reimbursement for eligible benefits will be made only if your provincial health insurance plan covers and provides payment toward the cost of the services received;
4. Coverage becomes effective at the time you or your dependent crosses the provincial border departing from their province of residence and terminates upon crossing the border returning to their province of residence on the return home. If traveling by air, coverage becomes effective at the time the aircraft takes off in the province of residence and terminates when the aircraft lands in the province of residence on the return home;
5. Upon notification of the necessity for treatment of an accidental injury or medical emergency, Green Shield Canada's Assistance Medical Team reserves the right to determine whether repatriation is appropriate if the patient's medical condition will require immediate or scheduled care. Such repatriation is mandatory, where the Assistance Medical Team determines that the patient is medically fit to travel and appropriate arrangements have been made to admit the patient into the provincial government health care system of their province of residence. Repatriation will ensure continued coverage under the plan. Should the patient opt not to be repatriated or elects to have such treatment or surgery outside their province of residence, the expense of such continuing treatment will not be an eligible benefit.

The patient must contact Green Shield Canada Travel Assistance within 48 hours of commencement of treatment. Failure to notify us within 48 hours may result in benefits being limited to only those expenses incurred within the first 48 hours of any and each treatment/incident or the plan maximum, whichever is the lesser of the two;

6. Air ambulance services will only be eligible if:
 - they are pre-approved by Green Shield Canada Travel Assistance

8. Green Shield Canada reserves the right, without notice, to suspend, curtail or limit its services in any area in the event of political or civil unrest, including rebellion, riot, military uprising, labour disturbance or strike, act of God, or refusal of authorities in a foreign country to permit Green Shield Canada to provide service;
9. No services will be provided during any trip undertaken for the purpose of seeking medical treatment or advice unless pre-authorized as outlined in referral services.

Call our Customer Service Centre at 1.888.711.1119 for detailed claims submission instructions.

If you have incurred out of pocket expenses, claims must be submitted together with supporting original receipts to Green Shield Travel Assistance who will then co-ordinate with the provincial health insurance plan reimbursement of those approved, eligible expenses.

Subrogation

Green Shield retains the right of subrogation if benefits paid on behalf of you or your dependent are or should have been paid or provided by a third party liability. This means that Green Shield has the right to recover payment for reimbursement where you or your dependent receives reimbursement, in whole or in part, in respect of benefits or payments made or provided by Green Shield, from a third party or other coverage(s). In cases of third party liability, you must advise your lawyer of our subrogation rights.

Co-ordination of Benefits (COB)

If you are covered for extended health and dental benefits under more than one plan, your benefits under this plan will be coordinated with the other plan so that you may be reimbursed up to 100% of the eligible expense incurred.

Claims must be submitted to the primary payor first. Any unpaid balances should then be submitted to the secondary plan(s). Use the following guidelines to identify the primary and secondary plans:

Green Shield Plan Member

Green Shield coverage for you is always primary. If you are the plan member under two group plans, priority goes in the following order:

- The plan where you are a full-time plan member
- The plan where you are a part-time plan member
- The plan where you are a retiree

Spouse

If your spouse is a plan member under another benefit plan, this Green Shield coverage is always secondary. Your spouse must first submit claims to his/her benefit plan.

Children

When dependent children are covered under both your Green Shield plan and your spouse's benefit plan, use the following order to determine where to submit the claims:

- The plan of the parent whose birth date (month and day) occurs earliest in the calendar year
- The plan of the parent whose first name begins with the earlier letter of the alphabet, if the parents have the same birth date
- In cases of separation or divorce with multiple benefit plans for the children, the following order applies:
 - The benefit plan of the parent who has custody of the dependent child
 - The plan of the spouse of the parent who has custody of the dependent child
 - The plan of the parent who does not have custody of the dependent child
 - The plan of the spouse of the parent who does not have custody of the dependent child

If the parents have joint custody and both have the children listed as dependents under their plans, claims should first be submitted to the plan of the parent whose birth date (month and day) occurs earliest in the calendar year. Balances can then be submitted to the other parent's plan.

Travel Benefits

In the event of a travel claim, all plans equally share the cost of the claim.

When Green Shield is identified as a secondary carrier, submit the original Explanation of Benefits statement from the primary carrier and a copy of the claim form in order to receive any balances owing.
