ABOUT BEST DOCTORS

Founded in 1989 by Harvard Medical School physicians, Best Doctors is dedicated to helping members take control of their health and avoid uncertainty. Whether you're dealing with a medical challenge or need information to help you make the right decisions about your health care, Best Doctors is here for you.

Through various services, Best Doctors complements the care of treating physicians. Best Doctors provides expert medical reviews and advice so that you can make the most informed medical decisions.

TOP-RANKED PHYSICIANS

Best Doctors carefully identifies and partners with the top 5% of practising physicians worldwide, selected through a certified ongoing peer-to-peer polling process. There are currently more than 50,000 physicians in over 450 specialties and subspecialties in the Best Doctors global database.

BEST DOCTORS PROVIDES YOU, THE MEMBER:

Information that Empowers

Best Doctors arms members with the right information to help them make informed decisions regarding their health.

A Personal Health Care Ambassador

By simply contacting us, a Member Advocate (a Registered Nurse) becomes your personal health ambassador to providing support, resources and to answer any questions you may have.

A Complete Spectrum of Health

Best Doctors addresses all conditions across the entire spectrum of health, assisting with virtually any type or degree of medical uncertainty.

Convenience and Privacy

All it takes is one call or email to get help. You don't have to leave home and everything is completely confidential. Best Doctors will even collect your medical records, imaging studies and pathology samples—at no cost to you.
